INSTITUTE
Research • Treatment • Education

Cordially invites you to attend the
Continuing Medical Education Grand Rounds

“Molecular Oncology Application to Clinical Trials”

Ramesh K. Ramanathan, M.D.

Deputy Director Translational Research Division
Senior Investigator at TGen & Medical Director
Scottsdale Clinical Research Institute
Scottsdale, AZ

WHO: Target audience - physicians, physician assistants and other allied healthcare professionals in the fields of oncology, urology, hematology/oncology and family practice. Others are welcome to attend as well.

WHEN: **Friday, December 18, 2009**
12-1 pm

WHERE: **Nevada Cancer Institute – Flagship Auditorium**
One Breakthrough Way, Las Vegas, NV 89135
For directions, please call: (702) 822-5163
RSVP: Diane Terrano, CPCS, at: dterrano@nvcancer.org

LEARNING OBJECTIVES:

Upon completion of the course, participants should be able to:

1. Discuss the use of predictive and prognostic markers in oncology.
2. Explain the use of biomarkers in clinical trials.
3. Identify targeted therapy in clinical practice.
4. Summarize and review the recent data with targeted therapy in basal cell and pancreatic cancer.

CME Accreditation and Designation

Nevada Cancer Institute is accredited by the Nevada State Medical Association to provide continuing medical education to physicians.

Nevada Cancer Institute designates this educational activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

* * * * *

Nevada State Board of Nursing allows licensed nurses to apply CME Category 1 credit toward the renewal of their nursing license.
