

## Meet the Expert on Myeloma

featuring:

**Delva Deauna-Limayo, MD**  
**Head, Multiple Myeloma Program**  
Nevada Cancer Institute  
Department of Hematological Malignancies

### Lecture Series

**Saturday, November 14, 2009 from 11am – 12:30pm**

Dr. Deauna-Limayo will discuss the epidemiology, diagnosis, staging of myeloma. She will also review the role of PET scans, the interpretation of serum free light chain tests, and assess responses.

**Saturday, January 9, 2010 from 11am – 12:30pm**

Dr. Deauna-Limayo will review frontline therapy including the role of transplants.

**Saturday, February 13, 2010 from 11am – 12:30pm**

Dr. Deauna-Limayo will identify options for myeloma patients who have relapsed.

All programs will be held at  
**Nathan Adelson Hospice**  
4141 Swenson Street  
Las Vegas, NV 89119
