

Nevada Cancer INSTITUTE

Research · Treatment · Education

Cordially invites you to attend a
Continuing Medical Education (CME) Lecture:

“A New Model of Ovarian Carcinogenesis. Lessons from Morphology and Molecular Biology”

Robert J. Kurman, M.D.
Professor of Oncology
Johns Hopkins University School of Medicine

WHO: Target audience - physicians, physician assistants and other allied healthcare professionals in the fields of oncology, urology, hematology/oncology and family practice. Others are welcome to attend as well.

WHEN: **Friday, December 4, 2009**
12 – 1 pm

WHERE: **Nevada Cancer Institute – Flagship Auditorium**
One Breakthrough Way, Las Vegas, NV 89135
For directions, call: (702) 822-5163
RSVP: Diane Terrano, CPCS, at: dterrano@nvcancer.org

LEARNING OBJECTIVES:

Upon completion of the course, participants should be able to:

- **Describe the different morphologic and molecular genetic features of type I and type II ovarian cancer**
- **Identify the clinical implications of the dualistic model of ovarian carcinogenesis**
- **Explain the relationship of borderline tumors to invasive ovarian cancer**

CME Accreditation and Designation

Nevada Cancer Institute is accredited by the Nevada State Medical Association to provide continuing medical education to physicians.

Nevada Cancer Institute designates this educational activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

* * * * *

Nevada State Board of Nursing allows licensed nurses to apply CME Category 1 credit toward the renewal of their nursing license.
